Football Report

On the 15th November, the St. Monica's football team had their first match at Woughton on the Green. They played two matches which were 20 minutes each. The first game was against a strong Portfields team. We had many chances to score. Jare hit the post and Viktor had a chance to go close. However the game remained 0-0. Arinze pulled off an incredible save that wouldn't have been out of place on Sky Sports News.

After the first game, we had to watch our next opponents, Long Meadow. Then we played against them. Their team was very organised but we played much better and showed an improvement from our first game. We won 7-0 by passing and keeping possession. We are now joint top in our league.

We would like to thank Mr O'Malley and Mr Mortimer for providing lifts and for supporting us.

Lost Property

We have lost property in school every day. Please can you help to keep this to a minimum by making sure that you label all uniform with your child's name and class.

Sending Money and Reply Slips Into School

May we respectfully remind you that when sending reply slips and money into school, they must be placed in an envelope marked with your child's name and class. Please ensure that your child takes it to their class and not to the school office. You can also use the red box in the Office Reception area to post envelopes in if you prefer.
