

Curriculum Information

Religious Education

Community, Mission and Eucharist

English

The children will write a range of text types related to 'The Iron Man' by Ted Hughes.

Each week, children will have a grammar focus which they will apply in their extended writing on a Thursday and Friday.

Children will also be focussing on editing their own, and partner's, work.

Mathematics

Topics will include: multiplying and dividing, fractions, decimals and percentages. Children will be revisiting the written methods and developing mental arithmetic skills. Throughout this term, children will be working on their reasoning and problem solving skills.

Computing

Internet Safety

Children will be continuing to learn about how to be safe on the internet.

Creating 3D games

The main focus of work will be using their programming skills to develop a 3D, first person game using purple Mash.

Science

Space

Children will be exploring our solar system, including planets, moons and the Sun. They will be learning about how the moon and planets move around the sun and why we experience day and night and the seasons.

They will learn how to support an argument using scientific evidence. They will explore a range of graphs and charts and research using secondary resources.

Materials and Change

Through this unit, children will be looking at reversible and irreversible changes through a range of scientific experiments.

Physical Education

Dance:

Children will work towards creating a Space Dance.

Handball:

The children will be working with our PE coach to develop Handball skills.

Music

The children will be using keyboards to create an Alien Adventure composition to tell a story through music.

In the second half term, the children will be developing their African drumming skills.

French

Our topics for Lent include:

Activities -learning how to say what you might be doing after school, Counting to 50 and French food.

Cross-Curricular Topic:

Anglo- Saxons

Through our topic we will explore Anglo-Saxon England. We will start by looking at where the Anglo-Saxons came from, where they settled and how England was ruled. We will also learn about every day life in Anglo-Saxon England and about influential figures, such as Alfred the Great,

Homework.

Homework will change slightly this term. It will be set on Wednesday to be completed by the following Monday. **Please help to ensure that homework is handed in on the correct day.** It will include reading, spelling and another piece related to their learning that week.

Reading:

Accelerated Reader will continue next term. Children will be working towards achieving their targets. The reward will focus on children's accuracy in answering the test questions.

P.E:

Indoor P.E. - Wednesday
Outdoor P.E. - Friday
